NOTICE OF PUBLIC MEETING

The Pittsfield Housing Authority invites all tenants and the general public to a Public Comment and Listening Session* specifically to receive oral statements and feedback on matters related to PHA housing operations.

PUBLIC MEETING TIME AND DATE: 1:00 PM ON 12/16/2025

PUBLIC MEETING LOCATION:

**ROSE MANOR COMMUNITY ROOM
193 ELBERON AVENUE
PITTSFIELD, MA 01201**

Individuals may speak to issues within the Authority's jurisdiction. Matters involving personnel decisions, individual tenant disputes, legal cases or confidential information cannot be addressed in this forum.

To promote an orderly process and allow for broad participation, tenants and the public will be recognized in the order they signed at the beginning of the session and are asked to:

- Limit remarks to three (3) minutes per speaker to ensure ample opportunity for all who wish to comment.
- Bring forward only matters that have been previously communicated to the Executive Director through a prior phone call, email, letter or in-person discussion. This ensures the Authority has had an opportunity to understand and address the concern before it is raised publicly.
- Keep comments respectful and focused.
- Understand that the PHA staff and Board members may listen but not deliberate or take action during the session.

Matters that cannot be addressed publicly due to confidentiality, legal restrictions, or personnel rules will be accepted in writing for private review by the Executive Director.

**Note: to public notice: This Public Comment/Listening Session is separate from the standard Public Comment period of the Board of Commissioners meeting and is intended to provide extended time for residents and public to voice concerns in a dedicated forum.*
